

During the 24 hours of prayer and fasting of unitedinyah

YHWH, it was really very stupid, very foolish of us to distance ourselves from You, to reject the offer of betrothal to You at Sinai, to set up and worship one (and later more) golden calf instead.

With the betrothal You promised us to be Your special possession before all peoples, a kingdom of priests and a holy nation...IF we give ear and obey Your voice and keep Your covenant. (Ex.19.5-6)

We screwed up from the beginning. You wanted to be our King and You wanted us to be set apart from the other nations so that we would be all yours. But we let ourselves be seduced, saw that other peoples had a human king, wanted to be like them and thus firstly rejected You, Yourself and Your right to rule us in the – for us- best way.

Secondly, we also rejected our birthright and our common identity and strength. It was a shot against You, against us, and has brought a false openness to the peoples all around and their gods and idols.

Thank You for allowing us to repent of these points much in recent years. Today we consciously turn away from these idols. They are void and they all have to acknowledge you, the True, the Only, the Eternal, the Almighty, the Most High. We close the doors to them and Edom.

The Edomite curse has brought us all much shame, grief and broken relationships, divisions and with them fear, depression and isolation. We bring all of this to the stake for you, Yeshua. You came to make us one again, one in You, just as You and the Father are one. United in Yah.

You have already turned it all around, turned it all over, Yeshua. It is finished!

Therefore, today it is time for right, good, opposite decisions.

Time to decide:

To give You, Melchizedek, the King of Righteousness, the Supreme King, the Royal Priest of the Most High, the place above us, among us, and within us that is Yours!

To be WHOLELY yours again, to listen to and obey You in everything, to accept the renewed betrothal covenant through Yeshua with YHWH Eloheinu WHOLELY, to say yes to Your ways.

Yes, we want to be now as you wanted us to be, as You made us. Yes, we want to be a chosen generation, a royal priesthood, a holy nation, set apart, kadosh, a people of ownership. (according to 1.Petr. 2.9)

Only because You are Royal Priest can we also be royal priests through You.

In You Yeshua is the Yes and Amen and we say yes with You to Yah, Aba, yes to You, the living and written Word, yes to us. Yes, we are no longer ashamed, we want to be Your troop, Your family, belong to You, serve You. For that is what it is all about:

To proclaim YOU, who You are, what You do. You brought us out of darkness into Your light, into Your truth and justice, back to You, You forgave us, cleansed us, redeemed us, set us free.

And when we are again who we are, doing what we can (through you), that is already a proclamation about you.

Yes, through You we may, we will, we are, we are able....

We don't deserve it, it's pure grace, it's just by who You are, Yeshua, what You've done for us. This is tremendous and just leaves me speechless. We have much hardship and tribulation today and are reaping bad fruit worldwide from the wrong choices back then.

In spite of everything, You have kept for us, through Yeshua, the right, the legal right, which is above all human, worldly right, to be YOUR and ONE people, one flock, one body....

Nothing can shake it and no one will be deprived, You are perfectly righteous and good.

*A*ba, Father, please do a deep work in us today, that we may know again who You really are and who we really are, and be completely secure in that, that we are right, loved, secure, accepted, recognized, legitimized, confirmed, ... that Your yes can sink very deeply into us,

and that through it and from it we can defy the enemies, say no, and from identity grows authority and strength again.

I also pray this especially for the leaders, for the men, for the masculine in each of us:

That we have the courage to speak up, to say, I'm decided, I'm going this way now. That we can stop dithering and doubting and take clear steps in faith.

Thank you for the blessing of Your name: YHWH and Y'shua. Amen.
